Manager Nolte remarked at his big opening last Tuesday night "advertising is what done it. I can't account for it any other way. We had only a simple one line announcement in the News and you see the crowd here to-night." There were over 500 people visited their store on that occasion. Don't you see.

There are very few cases of grip in this town, so say the physicians.

Mr. Jas. A. Vance and wife, Mr. Scott Vance and wife and Mrs. Chas. May went to Louisville Thursday. They were the guests of Mr. J. K. McCracken and wife.

There was a small wreck on the branch near Glendene last Wednesday. The East bound freight ran into a box car. The damage we understand was slight and no one was hurt.

STRAYED OR STOLEN.—A young man looking around for a present for his girl. Young man come into D'Huy's and open out your heart, if you can't be suited there you can't be suited at all.

"A man out of a job" was circulating about town yesterday and it was his observation as well as ours, that the advertisers were all busy and the rest of them were not in it.

Miss Mary Sawyer of this city and Mr. S. D. Lloyd, of Columbus, O., will be married at her home in this city next Wednesday morning at 9 o'clock. They will leave immediately on the train for Columbus their future home.

Col. Jeff Sterrett says Hawesville has a \$3,500 hole in the ground which will be given away to some stranger for a Christmas gift. Here's a chance for "Turk" Mattingly of this city.

This town is doing a good business. The holiday stocks are going off rapidly as well as other lines. As we have previously remarked the fellow that don't advertise isn't in it. Don't take our word for it, but watch his store.

The Owensboro Messenger says: "The grip is just getting a headway in Owensboro. One physician reports that he has been called to see eight or ten cases in the past two or three days. Until the latter part of last week there was none."

Bushman & Frank the lakers have bought the vacant lot on wall street belonging to Mr. William Vest, for \$1000 cash. The lot is 35 x 175 feet. The purchasers will erect as soon as the weather will permit, a two story brick business house.

El Simons died yesterday morning at 9 o'clock. Eli's was a sad death. He was a bright young man and a fine mechanic and but for his thirst for a demon that never lets go when once it gets a hold, would have been a useful citizen. His life should be a warning to all who are alike afflicted. His funeral will occur to-day from his sister's residence, Mrs. L. G. Gregory.

Mr. Al. Gary has returned from Michigan. He says it is too cold up there for him. "I've been falling around in the snow for two months and couldn't stand it. You have the finest climate in the world and one of the best towns, and the finest people I ever met. I intend to stay here and go into some kind of business." This is the way they all find it when they leave Cloverport. We hope Mr. Gary will find it profitable to remain here.

We had a pleasant visit of the Rev. A. A. Keith, pastor of the 1st Baptist church at Dade City and resident of Lakeland. Mr. Keith explained how his pastoral and church duties keep him in Dade City from Thursday until Tuesday, church services being held in Dade City every Sunday, with young folks meeting on Tuesday and prayer meeting and lecture Thursday evenings. Mr. Keith is doing good and faithful work in the Baptist community at Dade City.—Lakeland advocate. Mr. Keith is brother of Mr. J. E. Keith this city.
